

To the FDA:

RE: DOCKET NO. 98N-1265

I send this letter as a consumer of healthcare services to register my concern and disapproval of the Memorandum of Understanding as published by the FDA on January 21, 1999.

In its present form, ~~the~~ MOU, as well as the Compounding Section 503A of the Modernization Act, severely ~~restricts~~ restricts the rights of the physicians and patients to obtain healthcare products from the ~~provider~~ provider of their choice. It also infringes on the rights of compounding pharmacists to serve ~~the~~ the public's medical needs. As a healthcare consumer, there should be no restrictions to the delivery of a compounded medication prescribed for me, regardless of where I may live or ~~may~~ travel. The MOU must be amended!

Signed: Darla Colvin

State of Residence: NC

Comments: Without the compounding  
pharmacy I would be unable to  
to get the special formula my  
doctor prescribed.
